Property Description

There is a moment every morning when the sea is perfectly still. Soft natural light fills your terrace, the fresh scent of the Mediterranean lingers in the air, and the day begins at an unhurried pace.

This is the true privilege of living in this new development of ****151** contemporary two and three-bedroom apartments**, where modern architecture, breathtaking surroundings and wellbeing come together in perfect harmony. A place designed for those who understand that true luxury is not about having more, but about living better.

Every residence has been thoughtfully designed to embrace outdoor living. Spacious terraces provide the perfect setting for breakfast overlooking the Mediterranean, relaxing with a book at sunset or enjoying long evenings with family and friends. Bright, elegant interiors and generous living spaces have been carefully planned to complement your lifestyle.

Because every homeowner is unique, the development offers a range of customization options, allowing you to create a home that truly reflects your personal style.

Selected ground-floor residences feature a versatile multi-purpose room that can be transformed into a private gym, wine cellar, home office or wellness space. The exclusive penthouses take luxury living to the next level with private rooftop solariums, swimming pools and the opportunity to create an exceptional outdoor chill-out area with uninterrupted views of the Mediterranean.

The stepped layout of the buildings has been carefully designed to follow the natural topography of

the land, maximizing sea views, enhancing privacy and blending seamlessly with the surrounding landscape.

But the experience extends far beyond your front door.

Start your day with a workout in the fully equipped gym, work remotely from the coworking lounge or unwind in the sauna. Spend the afternoon by the resort-style swimming pool, meet neighbours in the social club or enjoy the peace of a secure gated community designed for comfort, wellbeing and an exceptional quality of life all year round.

The residences have been designed with spacious layouts that maximise every square metre, creating bright, functional and elegant living spaces where every detail has been carefully considered.
